

# How can we make Trafford town centres better? Information in Easy Read

Trafford Council wants better access for D/deaf and disabled people to our town centres:

- Altrincham
- Sale
- Stretford
- Urmston

A team of D/deaf and disabled people from Direct Access will visit each town centre.

We will look at what can be improved.

We will produce a report with our findings.

Have your say.

- 1) Contact us with your ideas to make access better.
- 2) Join our consultation workshops in March and April 2022.
